The Great Barrier Reef Adventures

# The giant snake

- I raised my head and suddenly, I saw an enormous white form coming towards me. I felt something that was disturbing between my legs.
- When I wanted to see what it was, I thought I saw a long fish. I was taking photos of it and got closer and I saw that it was not a fish but it was an enormous snake. It was the same height as me and a few centimeters taller.

# I was scared

-I was panicking for 3 seconds, I was stuck.

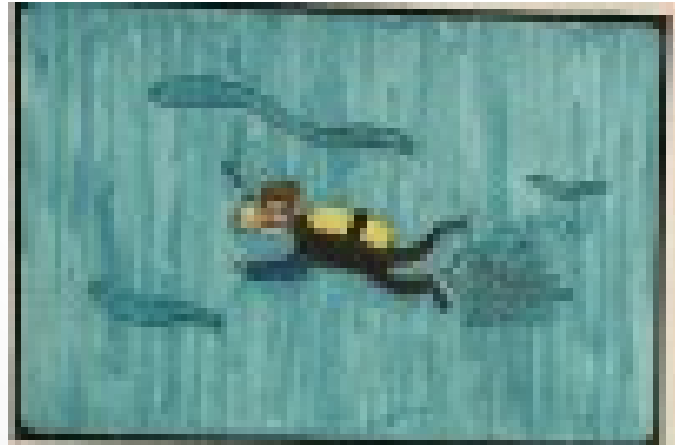

-I was scared that it could eat me kill me.

# Quick quick

-Then, I started swimming extremely fast.

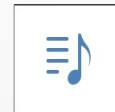

-I was trying to run in the water, I was jumping, I was all red with fear !

# I am the giant snake

-The giant snake was advancing towards me but I swam faster than the snake.

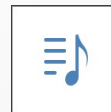

-The snake did not swim straight .

# ???

-Chloe didn't know what to do.

-She was shocked to see me all red. She was coming to see me to find out what I had.

# It's just a nightmare

-I told her about the giant snake and she believed me.

-She was asking me where it was, when I saw the giant snake again, I was afraid.

-I started yelling very loud and Chloe started to comfort me and I woke up of a terrible nightmare.
