How to make a timeline ?
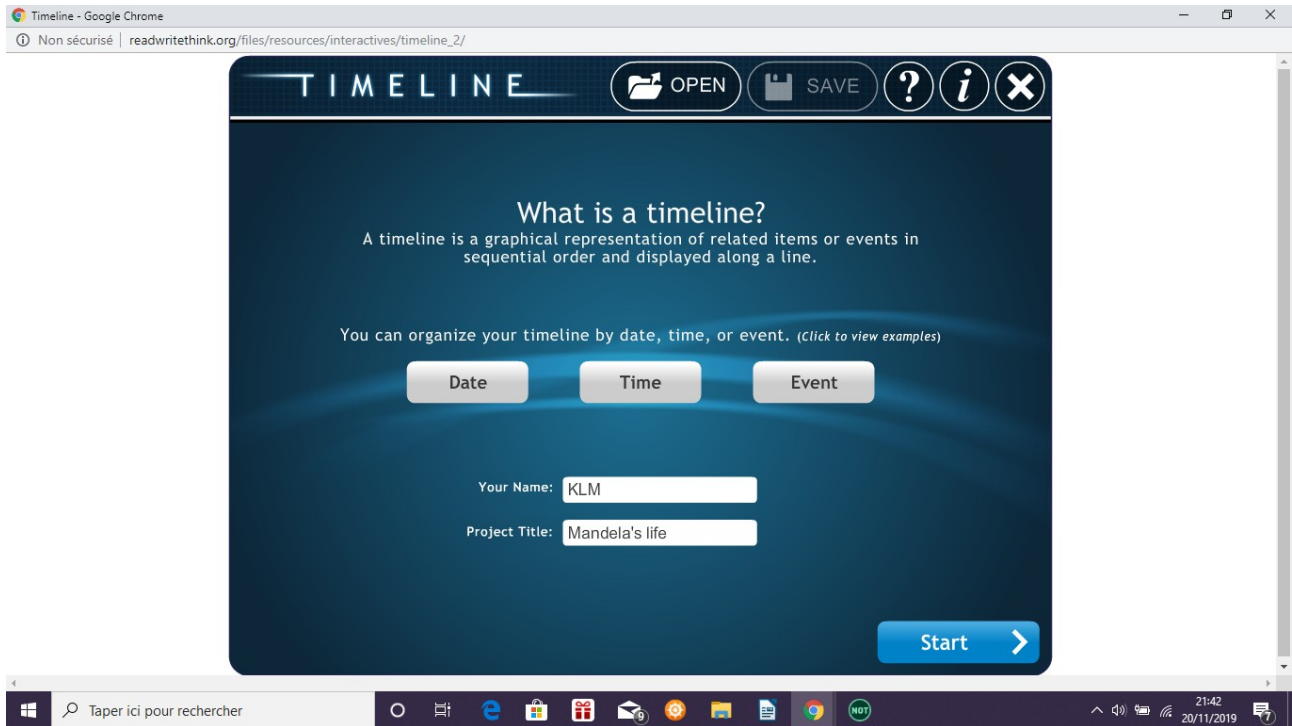

1) Go on Google and search the important dates and events.

2) Upload 1 picture / Date/ Event and save your pictures on computer

3) Go on the site http://www.readwritethink.org/ , write your name and a title :

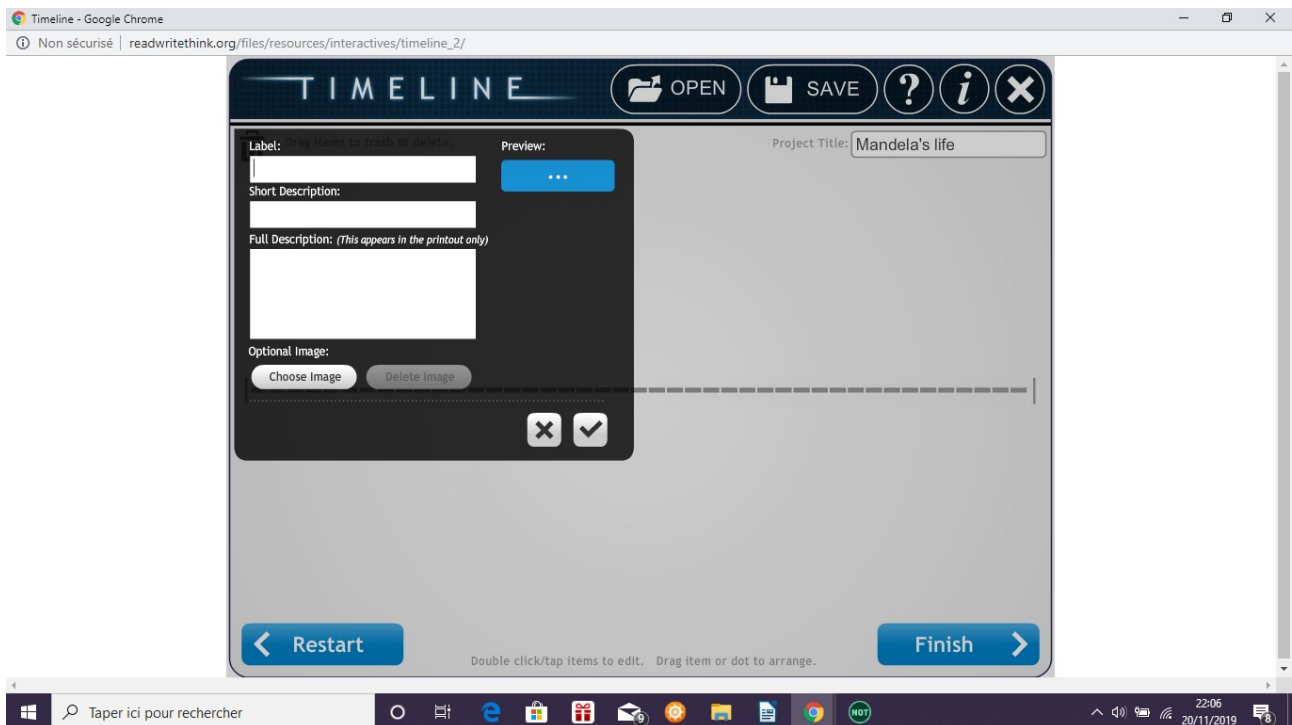

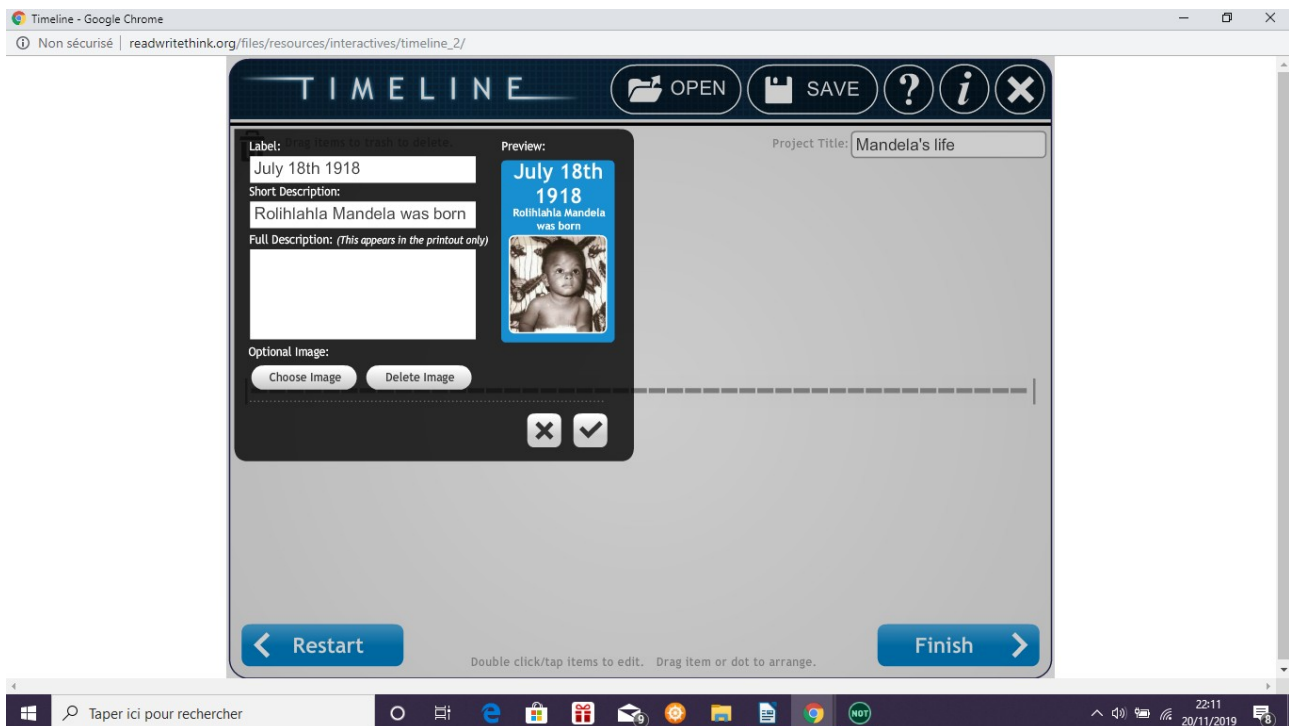

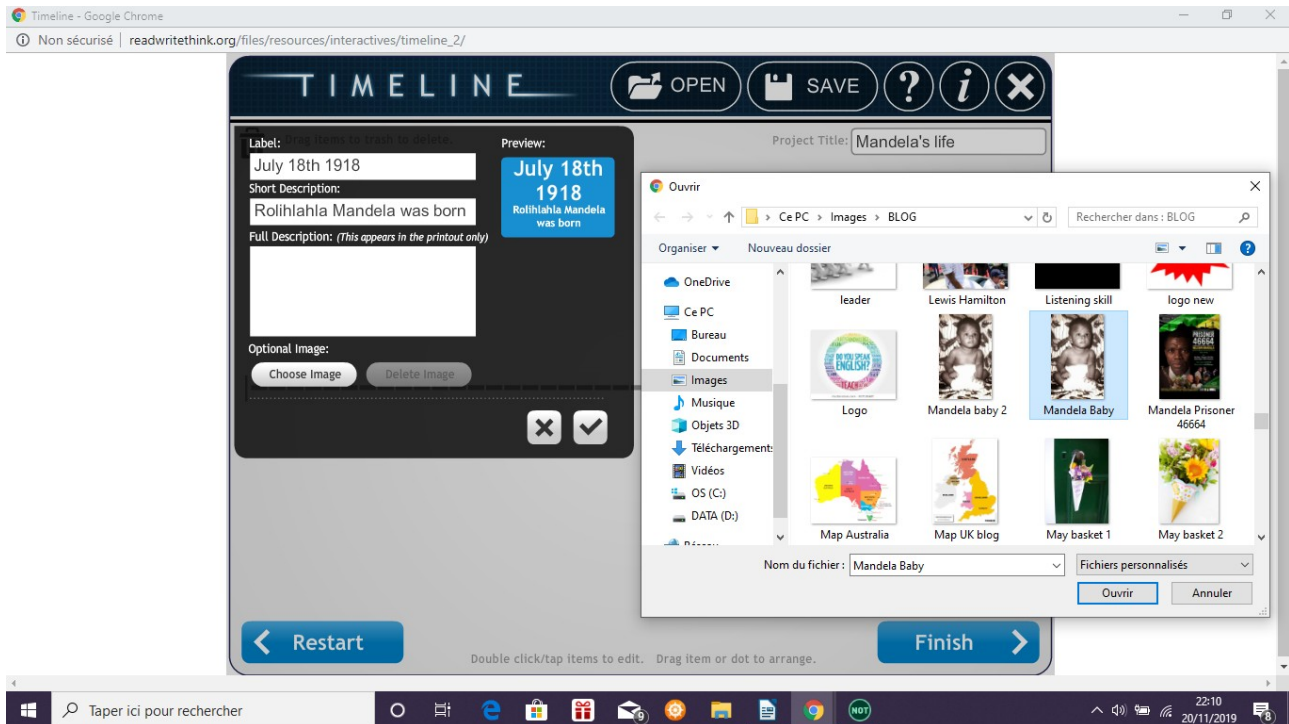

2) Click on Date :

Then, click on close (X)

3) Then, START :

4) Write the date (Label) & a comment (Short description) :

5) Choose image = upload a picture from your computer :

6) Drag the date on your timeline

7) If you need to delete a date or event, drag it to the trash and start again:

8) OR, go on with a new date and a new picture !

Good luck !
